Informed Consent to Chiropractic Treatment

The State of Alaska requires every patient to be informed of the risks of treatment and the alternatives to treatments prior to the beginning of care. The following is Arctic Chiropractic Fairbanks, LLC's informed consent for treatment. We intend this consent form to cover the entire course of treatment for your present condition and for any conditions for which you seek treatment at this clinic.

The nature of chiropractic treatment. The doctor will use his/her hands or a mechanical device to adjust/manipulate your joints. You may hear a "click" or "pop", similar to when a knuckle is "cracked" and you may feel movement of the joint. Various ancillary procedures, such as a hot or cold packs, electric muscle stimulation, therapeutic ultrasound, myofascial therapy, massage, traction as well as exercise instruction may also be used.

Possible risks and probability. There are inherent risks in all treatments derived by any health care provider ranging from taking a single aspirin to a complicated brain surgery. Chiropractic care is no exception. Although we take every precaution, there are indeed some slight risks to chiropractic adjustments/manipulations. The risk is very minor to non-existent in any treatment of the extremities. The risks involved in treatment to the spine excluding the neck are several. A list from the least to the most serious would include muscular strain (rare), ligamentous sprain (rare), fractures (rare), and injury to the intervertebral discs, nerves, or spinal cord (very rare). The risk involved in the treatment of the neck would include any of the preceding list but also include the remote possibility of cerebrovascular injury, or stroke (very rare: incident rate is one in ten million). A minority of patients may notice a stiffness or soreness after the first few days of treatment (common). The ancillary physical therapy procedures could produce skin irritations, burns or other minor complications (rare).

Other treatment options, not provided by this clinic, which could be considered, may include the following:

- Over-the-counter analgesics. The risks of these medications include irritations to the stomach, liver and kidneys and other side effects in a significant number of cases.
- Medical care, typically anti-inflammatory drugs, tranquilizers, and analgesics. Risks of these drugs include numerous undesirable effects, usually more serious than those listed above and patient dependence in a significant number of cases.
- Surgery in conjunction with medical care adds the risks of adverse reactions to anesthesia (which include death), as well as extended convalescent period in a significant number of cases.

Risks of remaining untreated. Delay of treatment allows formation of adhesions, scar tissue and other degenerative changes. These changes can further reduce skeletal mobility and include chronic pain cycles. It is quite probable the delay of treatment will complicate the condition and make further rehabilitation more difficult.

Concerns or questions. Please ask your doctor. The doctors and the staff at Arctic Chiropractic Fairbanks have gone to great lengths to make your health and safety a top priority. We will be glad to explain any concerns about treatment you may have. Suffice to say we will only recommend treatment for you that we would feel comfortable having performed on ourselves.

I have read the above explanation of chiropractic care. I also had the opportunity to ask questions and have them answered to my satisfaction. I have fully evaluated the risks and benefits of undergoing treatment. I have freely decided to undergo the recommended treatment, and hereby give my full consent to treatment.

Financial Policy Statement

We are committed providing the highest level of medical care to our patients. To ensure that our patients fully understand our billing process, we ask that you read and sign this financial policy statement.

Patient Responsibility: It is the responsibility of the patient to pay his/her co-payment, co-insurance, any unpaid portion of the deductible, or non-covered service, at the time of service. Any additional co-payments, deductibles, co-insurance, and/or non-covered service will be billed to the patient as indicated by your insurance by your insurance carrier on their Explanation of Benefits (EOB). Your insurance company will mail you an EOB outlining the services rendered and the portion of the bill which is your responsibility. All patients without insurance must pay in full at the time services are rendered unless other arrangements are made.

Payment Options: For your convenience we offer a variety of payment options. We accept Visa and Mastercard, Personal Checks, Cashier/Bank checks, Money Orders, and of course CASH. All returned checks will be assessed a \$30.00 returned check fee in addition to the original charge. A written payment plan may be established in cases of financial hardship.

Insurance Coverage: While we make a good faith attempt to verify your coverage, we are not able to guarantee that the benefits quoted to us by your insurance are correct nor, do they guarantee payment for the services rendered. It is your responsibility alone to know what insurance plan you are on, supply us with the correct information at the time of your visit, and know what services may or may not be covered by your insurance. We encourage you to refer to your benefits manual or call your insurance if you have any questions about covered services. Be aware that some and perhaps all the services provided may not be covered by your insurance. You will be responsible for payment of all non-covered services at the time they are rendered.

Insurance Payments: Your insurance policy is a contract between you and your insurance company, NOT between Arctic Chiropractic and Physical Therapy Fairbanks, and your insurance company. **Be assured our billing agent works diligently to obtain payment from your insurance company.** However, if we file your insurance, and the claim has not been paid for any reason within 90 days or if you suspend or terminate your schedule of care as prescribed by Arctic Chiropractic & Physical Therapy., we require that you pay the balance using one of the approved payment methods without exception. If your insurance pays us after that time, you will be reimbursed.

Denied Claims: Our billing agent will not become involved in disputes between you and your insurance company regarding uncovered charges, coordination of benefits issues, eligibility issues, pre-existing conditions, or any other matter that is your responsibility, which causes the claim to be denied. Should your claim be denied for any of these reasons, or any other reasons listed here, the claim will become the responsibility of the patient and payment will be expected immediately.

"On the Job" Injury (Workers' Compensation): If you are injured on the job, you will need to inform your employer of the accident and obtain the name and address of the carrier of their insurance. If you do not provide us with this information, or if benefits are denied, any fees and services are due by you.

Personal Injury or Automobile Accidents: Please notify your auto or personal insurance carrier of your visit to our office immediately. If you do not carry a medical payment policy on your auto or personal injury insurance, please provide us with your private health insurance information and we will bill your insurance for you.

Third Party Payors (Not at Fault Auto or Personal Injury): Please notify our office immediately that this is a third-party payor claim. If an attorney is representing, you inform our billing agent as soon as possible. If you have any medical pay on your auto or personal injury insurance or have private health insurance, please provide us with that information and we will bill your insurance for you. Please notify your auto or personal injury insurance carrier, or private health insurance of your visit to our office immediately. If you do not have any insurance, we will wait for a settlement for up to six months after your care is initiated. Once the claim is settled or if you suspend or terminate care, any fees for services is due by you immediately.

Patient Authorization: I have read, understand, and agree to abide by the terms stipulated above. "I hereby assign all medical and/or surgical benefits, to include major medical benefits to which I am entitled including Workers' Compensation, Auto, Personal Injury, Commercial Insurance, or any other insurance benefits I am entitled to, to Arctic Chiropractic and Physical Therapy Fairbanks. I understand that I am financially responsible for all charges whether they are covered or not covered by said insurance. I hereby authorize said assigned to release any information necessary to secure payment on my behalf. I further authorize the use of my signature below on all insurance submissions for services rendered or to be rendered. I agree that a photocopy of this agreement shall be as valid as the original."
